

# It's like carrying around your own personal RedShirt.®

At Independent Health, we're always looking for a smarter way to serve our members. This time, the answer is your smartphone.

## With the MyIH app, you can:

- Find a doctor or health care facility
- View, email or fax a copy of your ID card
- Review your benefits (depending on your plan)
- And track spending with our Deductible Tracker\* tool

Download the free MyIH app today.

And get the RedShirt® Treatment anytime, anywhere.

To download any app, it is best to be connected to WiFi.

**Apple Device Compatibility:** Requires iOS 6.0 or later.

Compatible iPhone, iPad and iPod touch. This app is optimized for iPhone 5.

**Android Device Compatibility:** Requires OS 2.0 or later.

Note: Check your app store to ensure proper compatibility with your mobile device.

**You Deserve the RedShirt Treatment.®**

\* The tracker applies to your in-network deductibles and reflects claims that have been submitted by your provider(s) and processed by Independent Health. This tool will be rolled out throughout the year. Once it is available for your plan, it will automatically be added to your online member account.
